*The Drug Drop can't accept medications from group homes, nursing homes, etc.

It is preferred that medications are in their original package or prescription bottle. Cross out your name and address but DO NOT cover up the name of the medication.

For details on what is accepted* at the Drug Drop, visit: www.healthysheboygancounty.org

There's a better way to dispose of your medications.

DRUG DROP

Sheboygan County

Medications flushed down the toilet are ending up in our drinking water and are also affecting fish and other aquatic life. Drop off your expired and unwanted medications at any of the Sheboygan County Drug Drop sites and we'll safely dispose of them for you. Proper medication disposal helps reduce groundwater contamination, decrease medication abuse and prevent childhood poisonings.
