Snow Emergency Update

October 2020

SNOW EMERGENCY PARKING RULES

A snow emergency can be declared between November 1st to April 30th.

Parking of vehicles on designated snow emergency routes, boulevards, cul-de-sacs, and dead-end streets is completely prohibited during the period of a snow emergency. Vehicles can only return to the aforementioned streets after the City of Sheboygan announces the end to snow emergency operations.

Vehicles illegally parked will be ticketed and towed.

When a snow emergency exists, vehicles parking on non-snow emergency routes between the hours of 12:00 midnight and 6 a.m. shall only park on the even sides of the streets (North and West sides) on even days

When a snow emergency exists, vehicles parking on non-snow emergency routes between the hours of 12 midnight and 6 a.m. shall only park on the odd sides of the streets (South and East sides) on odd days.

All streets with “No Parking” restrictions relating to parking on one side of the street shall follow odd/even parking rules during a snow emergency.

Snow Emergency Routes can be found at:
www.sheboyganwi.gov/winterparking

WINTER PARKING RULES

From December 1st to April 30th, overnight winter parking regulations are in effect between the hours of 12:00 a.m. and 6:00 a.m.

Alternate Side Parking: Vehicles must alternate sides for overnight parking.

On odd-numbered days, between the hours of 12:00 midnight and 6:00 a.m. vehicles shall only be parked on that side of the street having odd-numbered street addresses. (East and South Sides)

On even-numbered days, between the hours of 12:00 midnight and 6:00 am, vehicles shall only be parked on that side of the street having even-numbered street addresses. (North and West Sides)

Streets posted with “No Parking,” restrictions shall remain in effect; therefore are NOT under alternate side parking rules

The Simple Rule:

PARK FOR TOMORROW

SAFE WINTER DRIVING

Reduce your rate of speed when driving in less than ideal conditions

Increase your following distance on wet and snow-covered roads

When driving in precipitation please put on your headlights

Please stay back a minimum of 75 feet from DPW snow and plow trucks

If you do not have to be somewhere, watch the snow fall from the indoors
